

dOvs - warmup project

Group 9

Miran Hasanagić - 20084902

Jakob Graugaard Laursen - 20093220

Steven Astrup Srensen - 201206081

September 4, 2015

1 Introduction

2 How did we make the interpreter

You should not write how you wrote the interpreter, but why you wrote it that way

3 Problems experienced

If you encountered any problems describe how you solved them

4 Additional statements tested

5 statements as source code, and as values of type 'stm' plus a description of test including the outcome.
